

SAVE SOMEONE FROM BILL MAHER!

SATAN'S CONCUBINE IS INVADING THEATERS ON OCTOBER 3RD!

And Save on Rock Band 2!

FACT: Bill Maher's new film, *Religulous* is a hocker of phlem spat straight into the face of an unamused God.

FACT: Any film that doesn't involve someone being flailed and crucified on a device of excruciating torture by Roman men wearing headdresses and leather pleated skirts is not fit for Christian families!

FACT: An open mind is the devil's playground!

FACT: Bill Maher has devoted his life to belittling faith, using Satan's most malevolent tool: facts.

FACT: Any fool knows that you don't need "facts" when you have Jesus!

HOLY AFFIDAVIT

I WAS SAVED FROM RELIGULOUS BY LANDOVER BAPTIST CHURCH!

I _____ (name of saved moviegoer), attest that, while stupidly waiting in line to purchase a ticket for the filth called *Religulous*, _____ (name of Landover Baptist member) berated and rebuked me, pelted me with insults and Bible tracts, swatted my kneecaps with a heavy, leather Bible and screamed Scripture and foul derision into my startled face until I relented and gave my \$10 to Christ (d/b/a Landover Baptist Church Offshore Ministry, LLC, Cayman Islands).
